Our fundraising and sponsorship activities are a vital source of income for the Club, it is therefore critical that we have alignment, a clear direction of activities to maximise opportunities with local businesses, sponsorship permits etc.

This policy outlines the procedure to be followed by O'Dwyers GAA Club when conducting fundraising and/or sponsorship campaigns for respective teams and/or club activities..

Fundraising:

All fundraising activities within or external on behalf of the club. Must get prior approval from the Fundraising committee and/or Club Executive

Sponsorship:

All team sponsorship must get prior approval from club executive, this also includes to the sponsorship or purchase of any club gear which bears the club name/logo.

In addition this relates to the sourcing of club gear we have two sole suppliers O'Neills and ZZ Sports if members wish to seek alternatives to these suppliers a formal request is required to be submitted to our club executive for approval.
